The StarStone Advantage

With over 150 years of combined experience, StarStone's U.S. Marine & Energy Team can provide an unparalleled insight into the marine and onshore/offshore energy industry. Flexible and client-focussed, each member of our team has the autonomy to solve problems and suggest flexible options for our customer's specific needs.

We can assist in both Property and Liability insurance coverages worldwide, from major Energy and Marine Transportation companies to small family run businesses.

GLOBAL LICENSING

StarStone provides Marine coverage for a global client base through:

StarStone National Insurance Company
U.S. admitted Insurance carrier

StarStone Specialty Insurance Company
U.S. excess and surplus lines insurer.

SECURITY

All StarStone companies carry an A- (Excellent) rating by A.M. Best. For business written through Lloyd's, Lloyd's is rated A+ by Standard & Poor's and Fitch Ratings, and A (Excellent) by A.M. Best.

CAPACITY

Up to USD 50 million

CLAIMS

Paying covered claims quickly is important to StarStone and is an integral part of the StarStone brand. Our proven track record demonstrates our value as an insurance provider and a vital partner to the global marine industry.

PROCESS

StarStone uses the latest technology to ensure submissions are processed quickly, policies are issued immediately, and billing is handled efficiently, bringing an enhanced level of service to this market segment.
