

Torus appoints Jaap Gispen as Branch Manager, Rotterdam

9 June, 2014: [Torus](#), the global specialty insurer, today announced that Jaap Gispen has been appointed Branch Manager, Rotterdam, to lead the company's Netherlands-based operations. Subject to regulatory approval he will report to Demian Smith, Chief Executive of Torus' International Region and Richard Etridge, Chief Operating Officer, Continental Europe, effective June 16, 2014.

In addition to overseeing operations within the Dutch market, Mr. Gispen will be responsible for servicing and growing Torus' current Dutch-based Marine and MPL portfolios while also continuing Torus' efforts to attract high calibre underwriting professionals to Torus in the Netherlands.

Commenting on the appointment, Mr. Smith said: "Jaap is a key appointment and the experience and expertise that he brings to the table will add tremendous value as we look to further expand our physical presence and book of Marine and MPL business within the Dutch market."

Mr. Gispen brings more than 20 years of industry experience serving the Dutch Marine market and building specialised Marine portfolios. He joins Torus from Marsh Netherlands. He has also held Marine and management roles at Amlin Corporate Insurance, Concordia Holland and UAP-NieuwRotterdam Schade NV.

About Torus

Torus is an international, A- rated insurance group with six wholly owned insurance platforms, including Lloyd's Syndicate 1301. The Group, which was recently acquired by Enstar Group Limited and affiliates of Stone Point Capital LLC, underwrites business across the property, specialty and casualty risk classes from operations in London, Continental Europe and the Americas.
