## The StarStone Advantage

### People

StarStone underwriters are proven experts in their field and understand the hazards and risks associated with your business.

### Process

StarStone uses the latest technology to ensure submissions are processed quickly, policies are issued immediately, and billing is handled efficiently.

### Claims

Advanced process systems operated by experienced claims professionals ensure world-class service both pre and post loss.

### Risk Appetite

StarStone Excess specializes in small to medium sized accounts. We bring a new level of service to this market segment and will entertain a wide segment of business classes.

### Flexibility

StarStone Excess can design programs for homogeneous groups or provide coverage for a single small entity.

### Capacity

Up to \$15m on an excess basis.

### Security

Rated A- [Excellent] by A.M. Best.
