The StarStone Advantage

People

StarStone underwriters are proven experts in their field and understand the hazards and risks associated with your business.

Process

StarStone uses the latest technology to ensure submissions are processed quickly, policies are issued immediately, and billing is handled efficiently.

Claims

Advanced process systems operated by experienced claims professionals ensure world-class service both pre and post loss.

Risk Appetite

StarStone Excess specializes in small to medium sized accounts. We bring a new level of service to this market segment and will entertain a wide segment of business classes.

Flexibility

StarStone Excess can design programs for homogeneous groups or provide coverage for a single small entity.

Capacity

Up to \$10M on a lead or excess basis

Security

Rated A- [Excellent] by A.M. Best
