The StarStone Advantage

Led by Simon Schnorr, a recognised market leader, StarStone has an experienced team of Marine underwriters operating across Lloyd's, the London market and Continental Europe.

In line with StarStone's overall ambition to add value for insureds through a flexible and technical approach to risk, our Marine practice offers differentiated products that meet the changing needs of today's globalised market, providing bespoke solutions across various Marine lines either on a standalone basis or within multiline packages.

GLOBAL LICENCING

StarStone provides Marine coverage for a global client base through:

Syndicate 1301

Managed by StarStone Underwriting Limited, a Lloyd's managing agency authorised and regulated by the PRA and FCA. Through Lloyd's, Syndicate 1301 is licenced and authorised to trade in over 200 countries.

StarStone Insurance SE

A Liechtenstein-based European specialty insurer. A surplus lines carrier from all U.S. States and dependencies including Guam, America Samoa, Puerto Rico and the Northern Mariana Islands.

SECURITY

All StarStone companies carry an A- (Excellent) rating by A.M. Best. For business written through Lloyd's, Lloyd's is rated A+ by Standard & Poor's and Fitch Ratings, and A (Excellent) by A.M. Best.

CAPACITY

- Up to USD 50 million

CLAIMS

Advanced process systems operated by experienced Marine claims professionals ensure world-class service both pre and post loss for StarStone insureds. Paying covered claims quickly is important to StarStone and is an integral part of the StarStone brand; our track record supports this fundamental principle.

We have dedicated claims expertise in most of our regional offices to ensure that localised claims handling can be offered.

PROCESS

StarStone uses the latest technology to ensure submissions are processed quickly, policies are issued immediately, and billing is handled efficiently, bringing a new level of service to this market segment.
